Logistics and getting there

Abbey Beach Resort is located at 5 Bussell Highway, approximately 5km from the centre of Busselton, right on the sands of Geographe Bay and close to the famous surf of Yallingup, the exquisite shops of Dunsborough, the beautiful forests of the south west and of course, the famous wines of the Margaret River wine region. Abbey Beach Resort is an outstanding facility with ample parking, although limited access to public transport. Take a glimpse at www.abbeybeach.com.au. Perth to Busselton is an approximately 3.5 hour drive. Options for getting there include self-drive; taking the Australind Train from Perth to Bunbury (and we will collect you from there for the last 40 minutes of the journey), or TRANSWA bus services operating daily from Perth to Busselton.
